What Is The Narcotics Anonymous Program?

NA is a non-profit fellowship or society of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean. This is a program of complete abstinence from all drugs. There is only one requirement for membership, the desire to stop using. There are no strings attached to NA. We are not affiliated with any other organizations, we have no initiation fees or dues, no pledges to sign, no promises to make to anyone. We are not connected with any political, religious or law enforcement groups, and are under no surveillance at any time. Anyone may join us, regardless of age, race, sexual identity, creed, religion, or lack of religion.
